Please advise of any other areas in which your firm needs assistance:

1. State why you want to participate in the Mentor/Protégé Program (Attach additional sheet (s) if necessary):

2. What objectives do you want to obtain?

3. What business specialties do you want to learn or enhance in this program/project?

4. What percentage of your contracting is with the Public Sector____%, Private Sector____%? (Identify Federal, Airports, Mass Transportation, etc.):

5. (Professional Services Only) Do you have an established fee estimating plan? Explain.

6. (Construction Services Only) Do you have an established safety Program? Explain.

7. List major projects of the business for the last two (2) years and indicate your role (i.e. Prime Contractor, Joint Venture or Sub Contractor). Use additional sheets if necessary.

References may be required.

8. Designate and List the individual(s) from the company with binding authority to enter the Mentor Protégé Agreement and any other City of Columbia contracts:

9a. (Construction Services Only)

Of the two project divisions below indicate which ones you intend to form a Mentor Protégé Program Team:

<u>Water Line (WL) Division Projects</u> – Water Line projects that would require a WL License which includes construction work on water mains, water service lines, sewer mains, sewer lines, and sewer manholes.

<u>Water Plant (WP) Division Projects</u> – Water Plant projects that would require a WP License which includes all classifications and sub classifications necessary for the construction of water treatment and wastewater treatment facilities, water storage tanks, lift stations, pumping stations and appurtenances to water storage tanks, lift stations, and pumping stations

Two Project Divisions
1. Water Line (WL)

2. Water Plant (WP)

ļ	
ļ	

CONSTRUCTION SERVICES

Mentors and Protégés are limited to one (1) Team in place at any time within each of the two type project divisions.

9b. (Professional Services Only)

Of the five project divisions below indicate which ones you intend to form a Mentor Protégé Program Team:

Five Project Divisions

1.	Water Treatment	
2.	Waste Water Treatment	
3.	Water Distribution	
4.	Waste Water Collection	
5.	Storm Water	

PROFESSIONAL SERVICES

Mentors are limited to one (1) Team in place at any time within each of the five project divisions. Protégés may have two (2) teams in place at any time within each of the five project divisions.

Submit all the documents listed below WITH APPLICATION:

- A. Current City of Columbia Business License
- B. Submit financial compilations from a CPA for the three (3) most recent tax years specifically highlighting gross revenues from the firm's water and sewer projects.
- C. Proof of Professional License (General Contractor, Engineer, etc.)
- D. Proof of Bonding Coverage (Construction Only)
- E. Proof of WP and / or WL License (Construction Only)

*Additional information may be requested at any time.

Return completed applications to the Office of Business Opportunities - Compliance.

Subject to the approval of the Office of Business Opportunities - Compliance, this Agreement is entered into and effective as of this ____ day of _____, 20____.
