OTHER

1. Provide a brief summary about the company, including the company profile, general and specialized operational areas of expertise, historical and recent activities and accomplishments in support of M/W/SBE's, operating history, etc. (Attach additional sheets as needed):

2. Describe how the company will provide the necessary time and resources to ensure a successful mentor-protégé relationship. Additionally, indicate areas of business in which the company is able to offer guidance and training, such as business planning, scheduling, records management, project planning, financing, market analysis, etc. (Attach additional sheets as needed):

3. Why do you want to participate in the program, as a Mentor. (Attach additional sheets as needed):

4. (Professional Services Only) Do you have an established fee estimating plan?
Explain.

5. (Construction Services Only) Do you have an established safety Program?
Explain.

6. List major water and sewer contract awards and amounts outside of the City of Columbia for the past five (5) years, indicating projects, scopes of work, amounts, and clients. (Attach additional sheets as needed):

7. Designate and List the individual(s) from the company with binding authority to enter the Mentor Protégé Agreement and any other City of Columbia contracts:

8a. (Construction Services Only)

Of the two project divisions below indicate which ones you intend to form a Mentor Protégé Program Team:

Water Line (WL) Division Projects - Water Line projects that would require a WL License which includes construction work on water mains, water service lines, sewer mains, sewer lines, and sewer manholes.

Water Plant (WP) Division Projects - Water Plant projects that would require a WP License which includes all classifications and sub classifications necessary for the construction of water treatment and wastewater treatment facilities, water storage tanks, lift stations, pumping stations and appurtenances to water storage tanks, lift stations, and pumping stations

Two Project Divisions

- 1. Water Line (WL)
- 2. Water Plant (WP)

CONSTRUCTION SERVICES

Mentors and Protégés are limited to one (1) Team in place at any time within each of the two type project divisions.

8b. (Professional Services Only)

Of the five project divisions below indicate which ones you intend to form a Mentor Protégé Program Team:

Five Project Divisions

- 1. Water Treatment
- 2. Waste Water Treatment
- 3. Water Distribution
- 4. Waste Water Collection
- 5. Storm Water

PROFESSIONAL SERVICES

Mentors are limited to one team in place at any time within each of the five project divisions. Protégés may have two (2) Teams in place at any time within each of the five project divisions.

9. Since 2014, how long have you been a protégé in the Mentor Protégé Program?
(Must have at least four years of Protégé experience with active projects within the MPP Program)

10. Please list at least three or more Columbia Water projects you have completed.
(Project Number, Project Name, Completion Date, and a Brief Description of the Project)

Columbia Water Review/ Approval Signature:

Please circle one: Approved as a Mentor / Not Approved as a Mentor

Notes: _____

Columbia Water Inspector Signature

Date
